FRESH LOCAL CATCH

RED GROUPE - Most common local grouper, delicate with medium flake and medium-light flavor.

BLACK GROUPE - Caught further offshore, very delicate with larger flakes and very light flavor.

SNAPPER - Very delicate and mild with smaller flake.

HOGFISH - Our most delicate fish, has small flakes and light flavor.

POMPANO - Slightly firmer with small flakes and medium-light flavor.

TRIPLE TAIL - Most describe the taste as a cross between snapper and grouper.

MAHI MAHI - Firmer texture with medium-large flakes and mild flavor.

AMBERJACK - Similar to mahi with larger flake and a little more flavor.

COBIA - A lot like the amberjack with whiter meat and lighter flavor.
